|---------------|-------------------------|
| Salary | £25,500 (TBC) |
| Contract Type | One Year, Fixed-Term |
| Line Manager | Chief Executive Officer |

PURPOSE

The President Community is a key link between students, the SU and the uni. With the support of other student leaders, you'll help us understand the realities of the student experience, driving the changes students want to see. You'll play a huge role in helping students love life at Herts!

MAIN RESPONSIBILITIES

- You'll be a lead student representative for students at the Uni of Herts, championing their involvement in the student community
- You'll support other student leaders like School Community Organisers, Student Community Organisers & Student Reps, working together to elevate student views
- You'll proactively gather student views, using these to inform a range of community activities and campaigns
- You'll advocate on behalf of students whose experiences you may not share
- You'll be held accountable at things like Student Council and other forums, where you'll have to provide updates for the benefit of students
- As a lead student representative, you'll be asked to provide updates at SU & University committees for the benefit of staff members
- You'll work with the SU & University's marketing teams to promote yourself and your work
- You'll be an ambassador of the SU, encouraging students to engage with us and maximise the opportunities available to them
- You'll get to support us and the uni at flagship events like Open Days, Freshers, Students' Union Awards, graduation ceremonies and more
- You'll be the Deputy Chair of our Board of Trustees

KEY CONTACTS

You'll come into contact with students, student leaders, staff at the Students' Union, staff across the University and external partners.

Please note this isn't an exhaustive description of the role. As part of your induction, you'll be trained on the ins and outs of the position, and you'll have our full support during your time in post.
