

Student Council (23.03.22) – Updates from Prosasti

Todd Building Shelter.

What progress has been made / what has been achieved?

- I have successfully lobbied with the Estates to arrange funds for the Todd Building shelter from the Welwyn Hatfield council.
- The council has approved the funding for the bus shelters.

What are my next steps / what do I hope to achieve by the next meeting?

- To closely collaborate with them continuously.

Vaccination Camp.

What progress has been made / what has been achieved?

- Working with the Welwyn Hatfield council to encourage students to take their vaccinations, also considering having additional people on the vaccination camp to answer all queries of our students.

What are my next steps / what do I hope to achieve by the next meeting?

- I collaborate with the council to create more social media content for students.
- I will work closely with the University and SU marketing team for better communications on the website and social media channels.

Cultural Fest.

What progress has been made / what has been achieved?

- I Successfully planned the Cultural Fest with the Activities team, which is on the 24th of March.

What are my next steps / what do I hope to achieve by the next meeting?

- Continuously work with the Activities team to plan a few diverse events.

Period Poverty.

What progress has been made / what has been achieved?

- Successfully organised the International Women's Day POP-UP SU with the help of our Campaign coordinator. We gave some freebies and gave sanitary products to students.

What are my next steps / what do I hope to achieve by the next meeting?

- n/a
